

Moehn Electrical Sales Company

P.O. Box 34817

Omaha, NE 68134-0817

PH: 402.572.7875 FX: 402.572.7845

Website: www.moehnsales.com

NEBRASKA & IOWA TERRITORY

AFL www.afglobal.com

OPGW, ADSS, Fiber optic cable accessories, test equipment and splicers. Compression connectors and accessories. Motion control products, substation connectors, Copperclad and Alumoweld.

AQUA-TRONICS, INC. www.aquatronics.com

Cable locators, primary & secondary fault locators.

BMK CORPORATION www.bmkcorporation.com

Polecrete two-part foam products for setting poles, repairing woodpecker damage, and stabilizing poles and concrete pads.

CENTRAL MOLONEY TRANSFORMERS www.centralmoloneyinc.com

Single-phase polemount and padmount transformers, components, wildlife guards.

EATON LIGHTING SOLUTIONS – Streetworks www.eaton.com/lighting

Roadway, flood lights, security and decorative lighting, mast arms, steel poles. LED lighting solutions.

ENERVAC CORP. www.enervac.com

Air and gas dryers, oil degasification equipment, vacuum oil purifiers, SF6 gas servicing equipment.

nVENT (Formerly Erico) www.nvent.com

CADWELD exothermic connectors. ERITECH ground rods and bonding systems, lightning protection products.

ESTEX MFG www.estexmfg.com

Tool bags, tool buckets, tool aprons, glove bags, dirt tarps, safety vests.

HIGHLINE PRODUCTS www.highlineproducts.com

A Division of MacLean Power Systems: Fiberglass secondary and primary pedestals. Transformer and switchgear box pads. Wind farm products. Polymer concrete pull boxes.

HUSKIE TOOLS, INC. www.huskietools.com

Precision hydraulic battery-operated compression and cutting tools. Tiiger pole puller.

INERTIA ENGINEERING www.inertiaworks.com

LineBOSS 3-phase, group operated, load break switches 15-69Kv.

INERTIA - REPL www.inertia-repl.com

Heat shrink and cold shrink cable terminations

KADDAS ENTERPRISES, INC. www.kaddas.com

Products to prevent animal caused outages

KRENZ & COMPANY www.krenzvent.com

Cooling fans, controls, mounting hardware for power transformers.

MACLEAN POWER SYSTEMS www.macleangepower.com

Full line of Transmission and distribution hardware. Silicone transmission and substation insulators. Wire formed products.

McWANE POLES www.mcwanepoles.com

Wood pole equivalents made of ductile iron.

P & R TECHNOLOGIES www.pr-tech.com

Overhead powerline markers, obstruction lights for towers.

PASCOR www.pascor.com

Substation class air break switches 15KV thru 500KV. Motor operators.

POLARIS ELECTRICAL CONNECTORS www.polarisconnectors.com

600-volt set screw bar connectors for transformers, street lighting, and secondary pedestals.

POWER DELIVERY PRODUCTS, INC. www.powerdeliveryproducts.com

The Horstmann line of faulted circuit indicators for URD cable and overhead. Smart Grid applications for SCADA and Distribution Automation.

RADAR ENGINEERS www.radarengineers.com

Primary and secondary URD fault locators, cable locators, RFI locators.

RAYTECH USA INC. www.raytechusa.com

Portable test and measurement equipment including; transformer turns ratio meters, winding resistance meters, micro-ohm meters.

RIPLEY TOOLS www.ripley-tools.com

Utility Tool brand wire and cable preparation tools.

RITZ INSTRUMENT TRANSFORMERS www.ritzusa.com

Instrument transformers up to 230kV, CCVT's. 600-volt CT's and PT's for metering applications.

SOUTHWIRE –Energy Division www.southwire.com

Full line of wire & cable products including ACSR, medium voltage cable, 600-volt secondary. VR2 Overhead Wire.

SUN-TECH/FISHER PIERCE/RIPLEY www.sun-tech.biz

Solid state photo controls. High quality LED photo controls.

TECH PRODUCTS, INC. www.techproducts.com

Identification Tag Systems, Signs Nameplates for Utilities.

VON CORPORATION www.voncorp.com

Thumpers, burners, D.C. testers & hipots, glove & blanket testers, Arc Reflection Systems.

W. J. WHATLEY, INC. www.whatley.com

Fiberglass street light poles and arms, decorative light poles.

WEG TRANSFORMERS USA (formerly CG Power) www.weg.net

Power transformers up to 500 MVA, 500KV. Mobile Substations. Three-phase pad mounts.
