Website: www.moehnsales.com

KANSAS, MISSOURI & S. ILLINOIS TERRITORY

AFL (Kansas & W. Missouri) www.afglobal.com

OPGW, ADSS, Fiber optic cable accessories, test equipment and splicers. Compression connectors and accessories. Motion control products, substation connectors, Copperclad and Alumoweld.

AQUA-TRONICS, INC. (All States) www.aquatronics.com

Cable locators, primary & secondary fault locators.

BMK CORPORATION (All States) www.bmkcorporation.com

Polecrete two-part foam products for setting poles, repairing woodpecker damage, and stabilizing poles and concrete pads.

CENTRAL MOLONEY TRANSFORMERS (All States) www.centramoloneyinc.com

Single-phase polemount and padmount transformers, components, and wildlife guards.

ENERVAC CORP. (All States) www.enervac.com

Air and gas dryers, oil degasification equipment, vacuum oil purifiers, SF6 gas servicing equipment.

ESTEX MFG. CO. (Kansas & W. Missouri) www.estexmfg.com

Tool Bags, Tool Buckets, Aerial Buckets, Tool Aprons, Glove Bags, Safety Vests & Bags.

FEDERAL PACIFIC (Kansas & Missouri) www.electro-mechanical.com

Pad-mounted dead-front or live-front switchgear 5kV through 38kV. Dry-type transformers. Mobile substations.

HIGHLINE PRODUCTS (Kansas & W. Missouri) www.highlineproducts.com

A Division of MacLean Power Systems: Fiberglass secondary and primary pedestals. Transformer and switchgear box pads. Wind farm products. Polymer concrete pull boxes.

HUSKIE TOOLS, INC. (All States) www.huskietools.com

Precision hydraulic battery-operated compression and cutting tools and accessories. Tiger pole puller, transformer dolly, and ground rod drivers.

INERTIA ENGINEERING (All States) www.inertiaworks.com

LineBOSS 3-phase, group operated, load break switches 15-69kV.

INERTIA - REPL (All States) www.inertia-repl.com

Heat shrink and cold shrink cable terminations.

KADDAS ENTERPRISES, INC. (All States) www.kaddas.com

Products to prevent animal caused outages.

KRENZ & COMPANY (All States) www.krenzvent.com

Cooling fans, controls, mounting hardware for power transformers.

MACLEAN POWER SYSTEMS (Kansas & W. Missouri) www.maclepower.com

Full line of Transmission and distribution hardware. Silicone transmission and substation insulators. Toughened glass insulators.

P & R TECHNOLOGIES (All States) www.pr-tech.com

Overhead powerline markers, obstruction lights for towers.

PASCOR (All States) www.pascor.com

Substation class air break switches 15KV thru 345KV. Motor operators.

POLARIS ELECTRICAL CONNECTORS (KS & W. MO) www.polarisconnectors.com

600-volt set screw bar connectors for transformers, street lighting, and secondary pedestals.

POWER DELIVERY PRODUCTS, INC. (Kansas & W. Missouri)

www.powerdeliveryproducts.com

The Horstmann line of faulted circuit indicators for URD cable and overhead. Smart Grid applications for underground and overhead SCADA or Distribution Automation.

RAYTECH USA INC. (All States) www.raytechusa.com

Portable test and measurement equipment including; transformer turns ratio meters, winding resistance meters, micro-ohm meters.

RITZ INSTRUMENT TRANSFORMERS (Kansas and W. Missouri) www.ritzusa.com

Instrument transformers up to 345kV, CCVT's. 600-volt CT's and PT's for metering applications

SMC (All States) www.smcint.com

Solutions for Electrical Equipment Testing.

SUN-TECH/FISHER PIERCE/RIPLEY (All States) www.sun-tech.biz

Solid state photo controls. High quality LED photo controls.

TC COMMUNICATIONS (All States) www.tccomm.com

Multi-Service Ethernet Platforms and Multiplexers.

TECH PRODUCTS, INC. (All States) www.techproducts.com

Identification Tag Systems, Signs Nameplates for Utilities.

VON CORPORATION (Kansas & W. Missouri) www.voncorp.com

Thumpers, burners, D.C. testers & hipots, glove & blanket testers, Arc Reflection Systems.

W. J. WHATLEY, INC. (All States) www.whatley.com

Fiberglass street light poles and arms, decorative light poles.

WEG TRANSFORMERS USA (All States) www.weg.net

Power transformers up to 500 MVA, 500KV. Three-phase distribution pad mounts.
